

# James Young's favourite haiku from Poetry Pea's YouTube Haiku Prompts

## April

wild and ancient land  
a place to be stranded  
for a moment  
*Wendy Ghent*

shrieking gull  
the stories embedded  
in stone walls  
*Marion Clarke*

## May

see breeze  
waves in the marram grass  
reflecting the sea  
*Karen Harvey*

weekend getaway  
your hair ruffled by the wind  
my heartbeat faster  
*Marion Clarke*

## June

river balances  
board body and mind  
stream of conscience  
*Bruce Bynum*

forgetting  
all my mails  
this fleeting moment  
*Radhamani Sarma*

# July

wave after wave  
summer twilight  
has its sound

*Anna Rosa*

ocean's ebb and flow  
give a little -  
take a little

*Linda Ludwig*
